siliconindia 20 MOST INNOVATING CORPORATE OFFICE MAINTENANCE SERVICE PROVIDERS - 2019

MBIZ INDIA: The Trailblazer of Facility Management Services with Benchmarked Standards

With the climate of continuous change in business & technology, and the consistent emphasis on effective utilization of all corporate resources, Facilities Management Services (FMS) over the years has emerged as an important business discipline that calls for unique professionalism. The Kolkata-based MBIZ INDIA with its team of professionals is involved in the day-to-day analysis, and completes operation & maintenance of Corporate Houses, Factories, Housing & Shopping Complexes, Hospitals, Nursing Homes, Experience Centers of the Construction Sites, Institutes, all Commercial Areas, Multiplexes, and all kinds of hotels.

MBIZ INDIA is founded by Biswajit Chakraborty (CEO) who has taken every initiative to cross hurdles to take the company one step forward every single time. His strong efforts are the only key to what he is today, and his tendency to come-up with innovative ideas in order to improve this business industry every single time is commendable.

Bespoke Solutions

Established in 2011, today, MBIZ INDIA is an ISO 9001:2015 certified organization, which has created a niche in the FMS space serving PAN India, encroaching over several domains and has served the likes of Hindalco Industries (a unit of Aditya Aluminium) in Odisha, Godrej Infrastructure, Antara Hospital in Kolkata, Shyam Sel (a unit of Shyam Group) and Super Snellers (Sai Group) in Raniganj, PS Group, Mark Plaza (Amhey Group), Vinayak Group, Brian Group, Sky View Developers, Adhunik Infrastruc-

Safety Engineering College), Swimming Pool, and Water Body Cleaning & Maintenance Service.

Ensuring Quality & Safety

MBIZ INDIA offers top-notch priority to the safety of personnel and equipment. The company provides on-job safety training to new employees and classroom safety training at regular intervals. It deploys its people after checking basic credentials and imparting seven days of mandatory internship, not to mention the on-site training.

MBIZ INDIA also provides appropriate training and disseminates information to enable all employees to accept individual responsibility for Environment, Health & Safety, implement best practices, and work in partnership to create a culture of continuous improvement, thereby taking into account the occupational health & safety in planning and decision-making.

Through its policies and regulations, MBIZ INDIA facilitates safe & secured operations and favourable working conditions for employees, visitors, and contractors on the premises. Moreover, sustainability is an another predominant USP of the company that creates overwhelming customer relationships that last forever. From disposing of all the substances & materials that are classified as hazardous to health & environment, to reducing wastage, conserving energy & promoting recycling of materials wherever possible, MBIZ INDIA implements a slew of measures that prioritize environmental-friendliness. These benchmarked standards have ensured that the company stays a trailblazer in walkways of world-class Facility Management Services across India.
